120 years old, a beautiful course that values its historic charm and has a famous Ryder Cup history and legacy. In 2023, it hosted the R&A British Amateur Championships. S&A without doubt remains one of the most enjoyable and exciting challenges in golf. Weaving between some of the finest coastal dunes and heathland, it is often lauded for its very well maintained and undulating fairways, its rolling greens, and its strategic bunkers. All sit perfectly alongside the colourful yellow gorse and purple heather.
